Lesson 10: “Identifying Cause and Effect”

Presented by Mr. Kem Virath

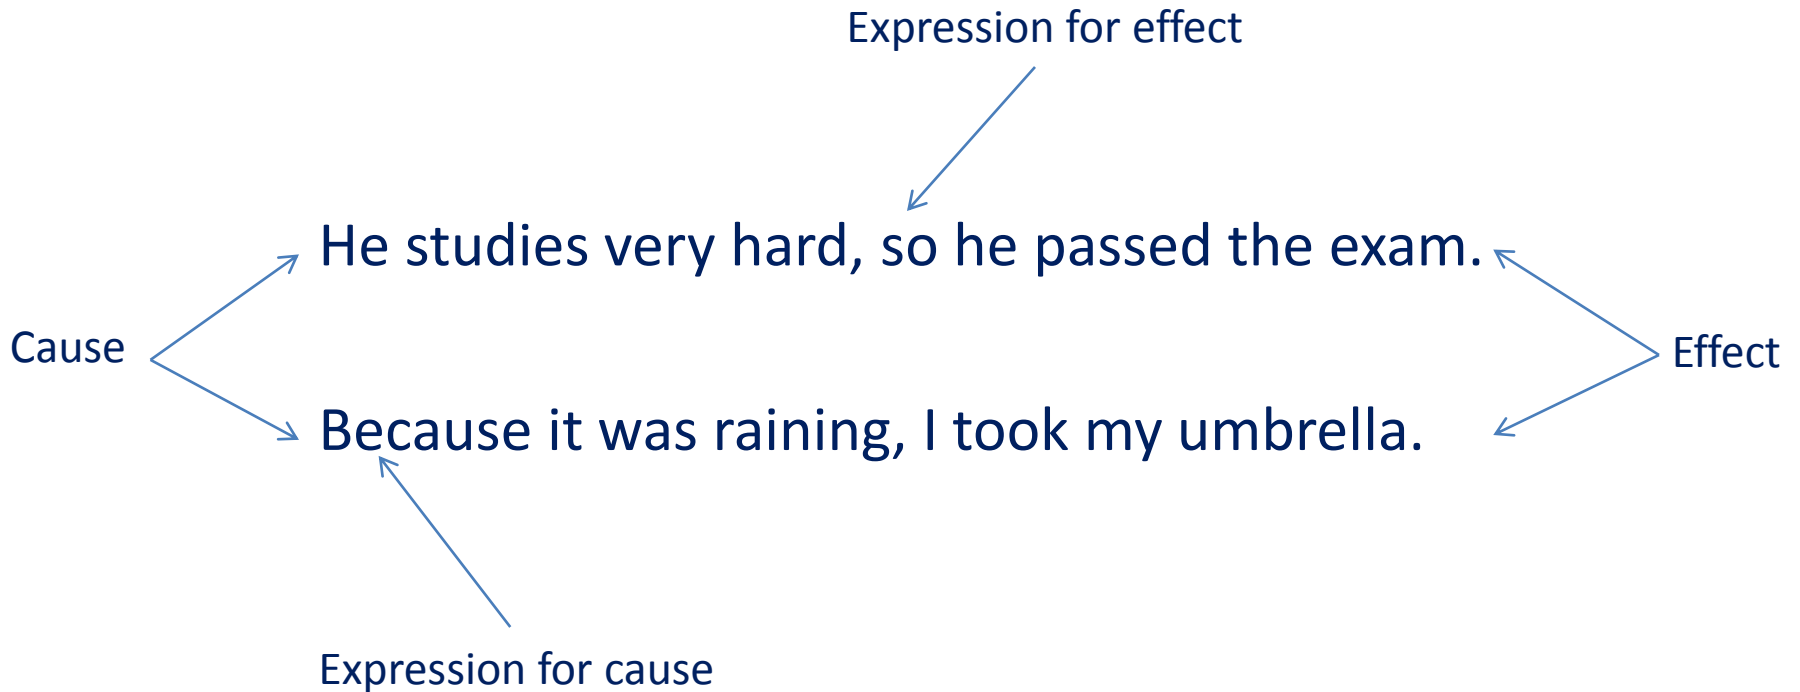

Definition

- + What is identifying cause and effect?
- + It is to find the reasons for situation or actions and their results.

How to find cause and effect

- Look for words like because, because of, since, as... They introduce causes.
- Look for words like so, therefore, hence, as a result, consequently... They introduce effects (results).

Example

Think

- Which situation happened first?
- What words can help me?

Thank You!
