

Reading Skill

Lesson 9: “Making Prediction”
Presented by Mr. Kem Virath

PREDICT

- Make a Guess
- What Will Happen Next?

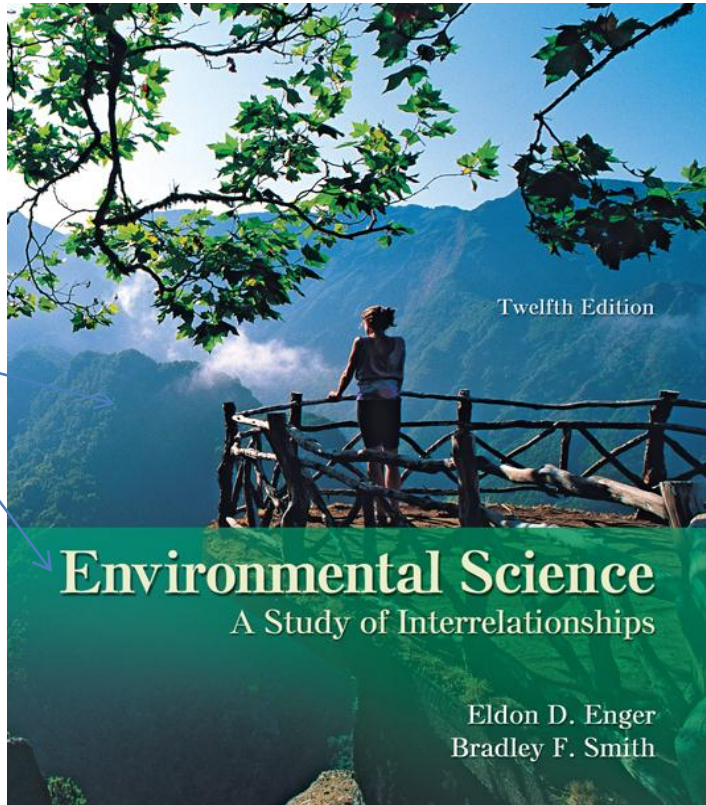

Definition

- + What is making prediction?
- + It is to foresee what the text is about.

How to make prediction

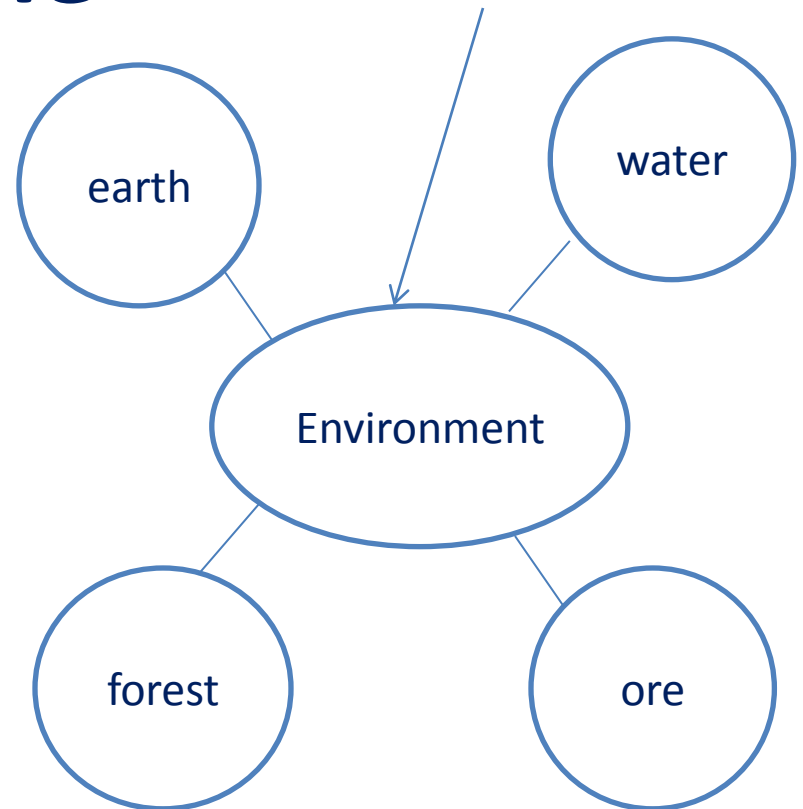

- Look at the pictures and title before reading the book, including the front and back covers of the book.
- Create a prediction diagram.
- Use "What would I do?" or "What happens next?" techniques.

Example

Picture
and Title

Diagram

Example

Vannak was driving his car very fast. While he was racing, there was a little boy crossing the road...

“What would I do”
technique?

Champa always come to class with a smile. Today, she looks very sad and quiet...

“What happens next?”
technique?

Think

- What should be something related to the text or picture?

Thank You!
